| 1. A DDA<br>7D18 HQS | 1.4 JUL 1986 | | | Bill,<br><br>The attached documents are a collection of memos documenting the "channel reversal" problem that occurred in one of our multiplexers at the Key building in April. The top memo is a summary, and in effect, final report.<br><br>I have discussed this issue in general terms in my most recent staff meeting and have asked the Group Chiefs to pass along your comments and observations regarding our vulnerabilities to mistakes. I hope they got the message.<br><br>Please have Brenda return these to us when you are finished. |
